SCHOOL CHILDREN'S OPERETTA PROVES DELIGHTFUL SUCCESS

Leading among the entertaining and enjoyable events of the week was the double presentation of the operetta, "The Pixies," by five hundred children from the Ogdens public schools Monday and Tuesday evenings at the Orpheum theatre. Under the supervision of Miss Valentine Preston and Mrs. Sophie W. Reed, supervisors of music and physical education, the operetta was realistically given in two acts and from the moment the curtain arose on the first pretty scene until it dropped on the last, the operetta was one of enjoyment and interest. There was not one pause or hitch in the whole performance. The musical selections and dancing numbers under the personal direction of the teachers of the various schools were exceptionally well given.

In Delightful Scenes
Small folks and older folks were well pleased and delighted with the performance. At each of the presentations, the theatre was crowded to the fullest extent.

The entire plot of the operetta comes from the kidnapping of one of the little fairies, Little Sunshine, by the goblins: Titania, queen of the fairies, tries every means to regain the little fairies from the goblins. The victory is won by the fairies and the pixies and like all wonderful fairy stories, the fairy queen marries the prince. Flower girls, butterflies, amazon guards, archer cadets and furies, plain pixies, goblins, coons and furies appear in the many fascinating scenes.
